MEMORANDUM FOR: Deputy Director of Logistics

FROM:

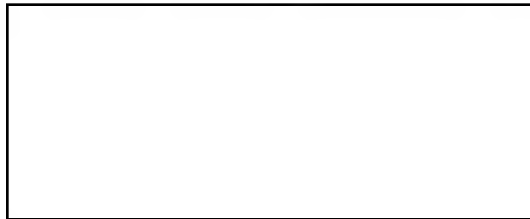

25X1

SUBJECT: Relationships With Other Agencies

1. Attached as Part I is a listing of documents relating to unilateral and bilateral agreements with other agencies. I did not include the agreements between the Agency (Printing and Photography Division) and the General Printing Office as they are too numerous and are on a case-by-case basis.

2. Part II lists relationships with other agencies that are ongoing without written agreements.

3. I am ready to discuss any phase of this paper at your convenience.
